

Here in the Ba' Bar kitchen we like to keep things seasonal, Scottish and locally sourced. We maintain close relationships with a chef-picked selection of regional producers to bring you the very best of farm, field and fishing boat. Combining the heights of Modern Scottish cooking with the freshest flavours of the Orkney Islands, our seasonally changing menu is designed to showcase the unsung treasures of Scotland's culinary landscape – from hand-dived Orkney scallops and Orkney farmhouse cheese to Shetland salmon and, of course, Edinburgh's finest haggis.
