3. BOUTIQUE HOTEL

THE DUNSTANE HOUSES

The Dunstane Houses truly are unique, chic and boutique. The hotel comprises two grand Victorian mansions in a quiet West End neighbourhood that blend classic architecture and contemporary, yet sympathetic, interior design. Beautiful bedrooms embrace a bold sense of modern pared-down luxury and public areas are a delight to behold. The spirit of Orkney is the theme of the all-day dining lounge, with the Ba'Bar serving fine Scottish food, whisky and gin. The Dunstane Houses are a breath of fresh island air in the centre of Edinburgh.
