We are delighted to bring you a choice of teas selected for The Dunstane Houses by the Tea Lovers' Company. Founded in St Andrews in 2012 by Luke Northy-Baker, the company produces fine whole-leaf teas in biodegradable pyramid bags and passes all profits on to educational charities. The name thus reflects the company's mission: to serve up a great cup of tea and give a little TLC to those who most need it.

ST ANDREW'S TEA LOVERS' COMPANY SELECTION
